Commodore's Report

February is a busy month at the Club—it's great to be in California. We've got both the Super Bowl and President's Day parties, a cruise out/crab feed at Coyote Point, Nauti-Girls docking practice, Redwood Cup and Cardinal Regattas, Junior Sailing, Galley Orientation, Bingo, Wednesday Lunches, Drop-In Dinners, and our General Meeting. There are plenty of opportunities to enjoy our boats, friends, and Club.

Please help us welcome Ryan Dadds, our new Steward. Many of us have already been enjoying her great cooking and cleaning, as well as her fun personality. Be sure to introduce yourself to her and thank her for all the hard work.

The Club's in very good shape overall. Though we finished 2007 behind our budget, we've got a plan in place for 2008 that should help us catch up and put some money into both the Facilities and Operating Reserves. We've got lots of great new members joining, wonderful attendance at dinners, meetings, and parties, and plenty of activities on the water, especially racing and cruise-outs.

I hope to see you at our Club and on the water this busy month.

Commodore

Beans, Jackson's Virginia Baked Ham, Washington's Cherry Pie, the list is too long to print here. Come sample them on February 23 at 1830.

2008 is a Leap Year and Leap Day is on a Friday, so, we are going to have a Leap Day DID of Homemade Chili, Cheesy Broccoli Cornbread, Salad and Dessert. **Drum roll please!** And we are going to play BINGO! Prizes will be awarded for all the winners. Buy a board for a mere \$1 and join in the fun.

Now for some housekeeping; during the storms in January, the roof in the bar leaked. Once things dry out, we will be patching it. Anyone that can help, please contact me. Thank you.

Port Captain

Thanks to all who have been helping keep the shore boats dry during the storms of the last few weeks! Remember to keep an eye on the shore boats during the rest of the rainy season.

Sometime during the last couple of weeks, someone borrowed an expensive shore power adapter from the Port Captain's Locker and has failed to return it. If anyone knows the whereabouts of the adapter, please make sure it gets back to the Locker. Please do not remove anything from the Locker without permission from the Port Captain first.

The keys to the shore boats are now locked in the lock box in the coat area. In order to have your key card programmed to have access to the keys, you need to be checked on the shore boats. Those who need to have the check out class should contact me to schedule a time.

Racing Rules, Made Easy

I love to race! As a racer, I am very excited to see the large participation of boats in all of the Sequoia Yacht Club races along with the camaraderie afterwards where a beer and a big story goes a long way. We have great participation here at Sequoia Yacht club in many of our races, but I would like to encourage more of you to come out and race, either as crew on a boat, or with your

own boat. Therefore, this is my first attempt at writing for any publication and will now launch Racing Rules, *MADE Easy*. In this column, I will address basic racing rules and how they may apply to SYC's racing series and courses.

The first question that needs to be asked—why do we need racing rules? Well, when you have many boats racing in close proximity at a start line or rounding a mark (buoy), if you do not have a common set of 'right-of-way' rules you can jeopardize the safety of all the boats and crews. Additionally, the rules are meant to create a fair race. It is interesting that Rule #1 is entitled 'Safety' and Rule #2 is 'Fair Sailing'. This is the real essence of the racing rules: first, boat safety and second, a fair race.

The International Sailing Federation (ISAF) has published *The Racing Rules of Sailing*, which consists of 95 rules governing sailboat racing. These rules were developed to maximize boat safety and to conform to the ideas of fairness accepted by most sailors. Do not try to memorize these 95 rules, you can't! This is why I carry a rulebook on the boat. One recommendation for a rule book is Dave Perry's, 'Understanding Racing Rules of Sailing through 2008'. Each rule does have a clear purpose but you will remember the rules faster and more clearly if you step back and try to see what actions the rule is trying to produce or eliminate. If you are new to racing, do not be intimidated by the so called complexities of racing rules. The best way to learn the rules is by coming out to our races.

In the upcoming months, we will explore specific rules in more depth and how they relate to our race courses. Some of the future topics include racing safety, racing definitions, starboard/port rights and tactics, windward/leeward rights and tactics, calling for room, overtaking a boat, rounding marks, and starting rights and tactics. I can take questions and comments anytime up to the start of the next race!

Jim Peterson
Co-Captain, *Made Easy*

The Nauti Girls

Dear Nauti Girls,
I have read your advice column faithfully and several of your topics have really piqued my interest in nautical pursuits. Alas, I am not of the fair sex and wondered if your Nauti Nights and other activities are for women only?

Potential Poop-deck Pal

Dear Poop-Deck, the more the merrier.

The Nauti(cal) Girls are truly dedicated to improving nautical knowledge and skills of all Club members. Along the way we hope to increase bar sales on quiet Thursday nights and get new members off to a good start in the friends department. So, please join in.

Upcoming activities sponsored by the Nauti Girls include:

January 24 from 7pm in the lounge, a rollicking review of "Nathaniel's Nutmeg" by Giles Milton. Snacks provided.

February 7 from 7pm in the lounge, a party planning primer with Jeanne Jacobs and Steve Higgs. Come learn about event sheets, signups, volunteer recruitment, menu planning, shopping, and all the rest. Free SYC aprons for participants. Snacks provided.

February 10 from Noon to 4 p.m. "Docking Skills" session at Westpoint Marina. Instructor/SYC member Ron Brown will coach in several sizes of boats. Cruise on over.

March 6 from 7pm in the lounge, "Knotty Night" with Dan Humphries. Come learn how to tie one on...half hitches, bowlines, and reefing knots, that is. Snacks provided.

April 3 from 7pm in the lounge, a review of "Sisters of the Sea" by Sandra Riley. This is a fictionalized account of the lives of Anne Bonny and Mary Read, two real pirates of the Caribbean.

Dear Nauti Girls,

My husband is slightly suspicious that your Nauti Nights sound like amusing evenings for Club members and not serious lectures. Can you convince him that we're really going to learn something?

The (Chicken) Little Woman

Dear Chick, tell him that boating is a hobby and it's meant to be fun! Come join us. NG

A Look at the Past

I was reading the past issue of the PICYA Log. It announced that the winner of the "Chispa Cup" was **Brian Malouf** of Sequoia Yacht Club. Then, it stated that the winner of the PICYA's Delegates Perpetual Youth Sailing Trophy was **Logan Lee** and that **Kyle Larsen** won the SF Bay Sailing Association's Perpetual Youth Trophy. Both are from our Club. Further, the article said that Sequoia Yacht Club won the Staff Commodores' Perpetual Youth Sailing Trophy for the best score in the 4 divisions of the regatta. These young members deserve our congratulations and a big round of applause for their efforts.

The article made me think about the other awards that Sequoia and its members have received over the years from PICYA. To start, Sequoia earned the "Claude H. Benham Opening Day Attendance Trophy" each year from 1948 to 1952 and in 1998. Other Opening Day awards that Sequoia received were the Royal Cruise Line Trophy for flags and streamers in 1999 and, in 1998, 1999 and 2000, our youth sailors earned the Marine World Foundation Junior Decorated Boat Trophy.

The "Club of the Year" was awarded to us in 1998 and 1999. These trophies hang over the door to the "Bill Oates" room. Sequoia's youth training program has been the recipient of the "Admiral Chester W. Nimitz Trophy for Youth Sailing" five times since this award was created in 1958 by the admiral.

Our members have also been recipients of honors. **Leo Harning**, 1973; **Chuck Beazell**, 1988; **Russell Breed**, 1993; **Edward Copeland**, 1993 and **Phil MacFarlane** and **Ron Feldman**, 1998, each have been awarded PICYA's Meritorious Service Awards for exceptional acts of rescue and saving of life and/or property in the tradition of the sea. Recipients of the Condon Award for the distinguished and selfless service to young people are **Sheila Jones**, **Michael Lafaurie** 2 times and **Peter Saitta**. In 1992, **Bob Hoffman**

was honored with the Robert S. Olson Award for outstanding and distinguished service to the boating community.

In youth sailing, **Brian Malouf** and his Laser won the "Chispa Cup" 3 times before, 2004, 2005 and 2006. The SFBSA Perpetual Youth Sailing Trophy was also won by **Paul Saitta** in 1991 and 1992. The Dave Diola Cup was won by **Dan Ryan** and **Noah Shaw**, 2004; **David Liebenberg** and **Michael Scott**, 2005 and **Tim Marymee** and **Mike Lazzardi** in 2006. **Ashley Simpson** and **Maria Lierta** won the Jan Horne Trophy in 2004.

So you see that Sequoia and its members, over the years, have distinguished themselves in the boating community. With the caliber of our young and older members, Sequoia Yacht Club will continue to distinguish itself in the future.

Peter Nardini
Club Historian & Past Commodore

Good of the ORDER

All it takes is a man-made disaster to get Sequoia racing recognized! The January issue of Latitude 38 reports that the November oil spill kept much of the racing in the North Bay on the sidelines. However, racing continued in the South Bay and boats that made the Mid-winter Box Scores were *Black Sheep* (Ron Brown), *Made Easy* (Jim Peterson), *Yellow Brick Road* (John Draeger), *Iowa* (Rick Dalton), *Mirth* (Rick Gilmore), and *White Dove* (Mike Garl).

Please contact me if there is anything you would like to share with the membership.
