Commodore's Report

Byron Jacobs

Happy New Year! May you and yours have a very prosperous and healthy year ahead.

I'm pleased to report that the calendar for 2010 is filled out and we have some wonderful activities planned. We really need volunteers to help make all these fun events happen and I'm hoping our newer members will engage and contribute to their success. It's a great way to meet other members and learn more about how your club works.

Our club recovered from its past fiscal challenges with enough to meet the requirements of our by-laws to set aside money in our Facilities Reserve Fund. This was due to all of you doing so much to make us successful. Your attendance at our social events and Staff Commodore Gilmore's outstanding efforts to drive new membership made it possible. Thank you for that.

As you may recall, we decided in December 2009 to suspend the surcharge for paying quarterly as a way to soften an increase in dues. Due primarily to the pinch many of our members still feel from the economy we decided at our 12/8/2009 Board Meeting not to increase dues further. But, to help offset the cost of funds and additional processing we experienced last year, your Board voted to reinstate a \$10 fee per quarter for the option to make quarterly dues payments.

We enjoyed a splendid Christmas party for the children, followed by a delicious potluck dinner that was well attended. Our Vice Commodore, Joseph Curtis and his wife Oya deserve our appreciation for such an enjoyable event.

SYC is fortunate to have so many active members who pitch in when requested, work so hard for the club, contribute their ideas and concerns, laugh, play, love, joke, plan and provide support for each other. Thank you for that too!

Vice Commodore's Report

Joseph Curtis

December was an extremely busy month here at Sequoia. Make sure you check out the bar at the club. Bar Manager Terry Burley and his assistant Fred Ganji have been busy cleaning the coolers and organizing the bar area. I want to thank Winston and Carol Bumpus, Byron and Jeanie Jacobs, Sherry Warburton, and Oya for help with getting the Christmas tree and decorating the club for the holidays.

We had a great time at the annual Children's Christmas Party on December 6th. The kids had a chance to do art projects, which included decorating wooden Christmas ornaments. Magic Mike once again was a big hit with the kids and adults alike. And, of course, Santa made his arrival by shore boat and gave presents to the kids. The party ended with a great potluck meal. I want to thank John and LuAnne Graves, Byron and Jeanie Jacobs, Terry Burley, Doris Bliven, Jerry Jones, Paulette Reeder, Dennis Lowe, and Mike Harris for all of their help in making the party a hit for the kids. Special thanks go out to Daniel Graves for being Santa's Assistant and to Oya for staying up to 2:30 am to wrap all of the children's presents.

Our Christmas-themed Drop-In Dinner was on Friday, December 18th. We had a great meal prepared by our steward, Lina, and Jeffrey Gilliam provided the Christmas music on the piano. Make sure you sign-up for the New Year's Eve Party and ring in 2010 with all your SYC friends. We'll have champagne, appetizers, live music by Gregg's Full House Band (look for the advertisement elsewhere in the Scope for the details), and fine company.

Rear Commodore's Report

Kate Humphries

Happy 2010! I hope you all had a wonderful holiday season. Thank you, to those of you who participated in our **Delta Cruise Out** survey in December. The majority of responders chose the Delta Yacht Club for our Delta Cruise Out this summer, **August 2nd to 6th**. So, Delta Yacht Club it is!! Also, our power boat fleet captain, Sheila Jones, is considering a Power Boat cruise out (sailors, you must turn on your engines) to Devil's Isle for **August 8th to 12th**. Those of you who are interested in joining Shelia and Jerry on this adventure please let her know ASAP as we need to get back to Devil's Isle later this month.

We are well into our planning for **South Bay Opening Day** "*Ride the Tide to the South Bay*". Mr. Robin Weber, thank you so much for the wonderful design of our flyer. Please take a look at the flyer when it is released, as it features our very own Lina's wonderful photography with a photo of Mark Millet's *Slipstream*. Thank you, Lina, for letting us use your beautiful art work! Our next **SBOD meeting** is on **Wednesday, January 13th, at Coyote Yacht Club**. Please feel free to join us at 7:00pm. We are looking for a few folks who would be willing to contact sponsors to see if they will once again join us for the 2010 celebration. Please give me a call or send me an email if you are interested in helping out.

I also want to say a big *Thank You* to our Large Boat Sailing Fleet Captain, Tim Petersen, for the wonderful job he is doing with our Winter Series and our Redwood Cup fleet captain, Mike Garl, for the fun we are having with the Redwood Cup races. Please see Tim's column for more racing information. I would like to invite you all to come out and join us on the water! Here is to a wonderful new year with our friends and family at Sequoia Yacht Club!

A Look to the Past

Peter Nardini

HAPPY NEW YEAR to one and all. Already our Flag has started to plan for races, cruises, social events and other activities for us to participate and join in the fun.

As I scanned SYC's archives of bulletins, I noticed that in years past dinghy and small boat sailing was much more popular. The Club's adults El Toro sailors once belonged to International El Toro Association (IETA), Fleet 18, and were quite active. But, in '71, their activities and participation started to wane. It still is quiet.

We own about 24 El Toros that are used by our Junior Training Program. Despite its diminutive size, the El Toro was designed for adults. These boats are available to all our members. Members need only make arrangements for their use with the program's instructors. We have at least 2 trophies for adult competition. There is a ladies racing trophy and one for a race competition between the ladies and the gentlemen, called the "Bull Feathers." It only requires a challenge from one or the other. Aren't there any intrepid sailors willing to pit their sailing skill against others?

Mark Denzer of Hawaii will be sailing "Round Oahu by El Toro sailboat" to benefit the National Parkinson Foundation in memory of his Dad, who died of Parkinson's in July of this year. Visit their website if you want to donate. \$3.00 makes you a full sponsor, and your name goes on the sail!

Again, Happy New Year. I wish you all smooth sailing and fair winds in 2010.

Social Events

Kristin Butler

Good of the Order

LuAnne Graves

It's a time of year when our minds turn to charity. Here are some interesting opportunities for sailors. From SYC member Steve Holmstrom:

The San Francisco Fleet of the International Yachting Fellowship of Rotarians has chartered the Seaward, an 82-foot Topsail Schooner for a trip into the Southern Gulf of California (aka Sea of Cortez). The purpose of the trip, along with a lot of great sailing, is to visit orphanages in fishing villages and give them clothing and other articles. We are working with the La Paz Rotary Club. We will be sailing out of Costa Brava. La Paz from February Monday, Feb 1 to Sunday, Feb 7. The cost of the cruise, which includes food, berth, etc is \$1,100 per person plus airfare. I know we have a few Rotarians that are members of Sequoia YC and I heartily encourage their participation. But if you also just want to do some good in the world & help the disadvantaged, you are welcome to come.

Email me: Steve@Toothvet.info if you are interested or need more information.

Michael Giberson sent this message to Sequoia members:

I am writing to let you know about an incredible voyage that will commence in April of 2010. This voyage is to benefit research for Parkinson's, as well as Alzheimer's and ALS.

www.bountyboat.com

Four sailors will be recreating the epic voyage of Captain Bligh, when he was cast-off the HMS Bounty with 18 of his crew, after the infamous mutiny of 1789. The voyage will be in a small open boat covering 4000nm, with little food or water, and no charts or modern navigation devices. One of the sailors will be Michael Perham, who was the youngest person to sail the Atlantic when he was 14, and the youngest to solo around the world at 17, completing the voyage earlier this year. Below is the link for Michael's website for this challenge. Maybe you can take the time to visit.

Membership

Jerry Jones

The new 2010 Membership Directory will be available at the club by the end of December. The 2010 Honorary Members List is posted in the lounge and by the galley.

Mark and Sherrill Zeserson, have been added as Honorary Members. They live in Brentwood and have been our host at Devil's Isle for the last several years. They have a 30' Hunter *After Fifty*.

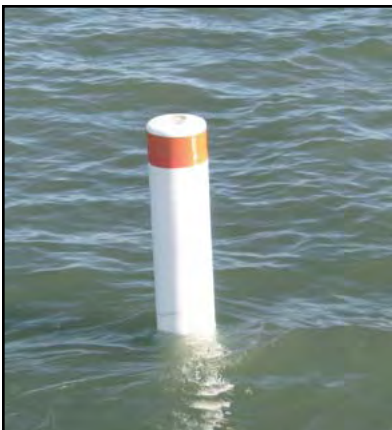

Sherrill & Mark Zeserson

Continued from Page 6, Col 2

Finally, it is never too early to start thinking about Beer Can Racing. Steve Holmstrom, the Beer Can Fleet Captain, will be holding a meeting on **Wednesday, January 20, 2010** to discuss the schedule and to review and revise the racing instructions. All interested members are invited to attend.

Make a New Year's resolution to get out and get involved in a race, either as a skipper or as crew. I look forward to seeing you out on the bay.

Racing Fleet

Tim Petersen

December was an eventful month for the SYC racing fleet. Rumors continued to circulate that the SYC racing mark X had gone missing, but photographic evidence was obtained that proved that X was still in place. Although the previous buoy was found, it was replaced with a new 9-inch white cylindrical buoy with an orange band to improve visibility. If you are sailing near the San Mateo Bridge, sail by and check it out.

The Racing Pages on the Sequoia web site should now all be up to date for 2010. The Sequoia web site is a great resource for all club activities, especially club racing. Click on the SYC Racing tab to access the latest racing documents, schedules and results. If you find any information that is out of date, or if you would like to have additional information included, let me know and I will do my best to make sure that any issues get addressed.

The Winter Series continued on December 5 with race #2. There were 16 boats starting the race, including one from the Coyote Point Yacht Club. There were 13 boats in the spinnaker division and 3 in the non-spinnaker division. The race once again demonstrated just how fickle the winter winds are. What appeared to be good wind 15 minutes before the start of the race suddenly went away just before the first horn sounded. But the SYC racers were not to be stopped, with the last boats returning as the sun set. *Head Rush* (Charlie Watt), *Sail la Vie* (Phil MacFarlane) and *Lucky Duck* (Paul McCarthy) took 1st, 2nd and 3rd, respectively in the spinnaker division, and *Linda Carol* (Ray Collier) and *Iowa* (Rick Dalton) took 1st and 2nd in the non-spinnaker division.

The Redwood Cup Series also continued on December 20 with race #2. The Redwood Cup is a five-race series with one throw-out race that uses a pursuit-race format similar to the Beer Can Series. The Sailing Instructions for the Redwood Cup were updated before race #2 to include all the courses used in the Beer Can Series. If you are a Redwood Cup racer, be sure to get the latest information. *White Dove* (Mike Garl), *Head Rush* (Charlie Watt) and *Sail la Vie* (Phil MacFarlane) took 1st, 2nd and 3rd respectively. Thanks to Charlie Watt and Matt Siddens for running the race.

For Nauti Girls & Buoys

It's a truth universally acknowledged that the Nauti Girls just love a well-organized cruise out. And we're well aware of the excellent leadership, planning and management that it takes to pull off a successful "relaxed" weekend on the water with your Sequoia friends. So, to get the 2010 cruising season off to a great start we're excited to announce an important seminar on "How to Lead the Perfect Cruise Out" on Friday, January 15 after the D-i-D. Our seminar leaders, John Graves and Robin "Agave" Weber, will divulge their secrets for "goof proof" cruising, covering such topics as:

Travel: Buddy boats, radio contact, assistance / repairs, weather - wind, waves, rain, fog, cruise-notes, seasickness, dinghies.

Accommodations: Scheduling, harbormaster, yacht clubs, raft-ups, anchoring, docking, blacktoppers, paying / chits, water, trash, electrical, pump-out.

Meals: Provisioning, restaurants, potlucks, and yacht clubs.

Land Activities: "Tin Cup" golf, SF Giants baseball, Jack London Jazz, hiking, spas and more.

Etiquette: Burgees, heads, BYOB, overnight guests, raft-ups, spills / clean-up, alcohol, and yacht clubs.

Advertising: Sequoia Scope broadcast emails, bulletin board, sign-up lists.

Cruise-Out Leader: Role, decisions, support, and pay.

This will be a great time to ask questions and pick up some pointers whether you are a novice cruise leader or an old pro. Everyone is welcome to join us.

2010 Women's 21st Annual Sailing Convention

It's not too late to register for this outstanding event hosted by the Southern California Yachting Association on February 6, 2010 at the Bahia Corinthian Yacht Club in Newport Beach. So far the Nauti Girls have a delegation of six planning to attend. Come join us.
