★ Rear Commodore's Report

Cutting to the chase... Summer #3 saw Primordial Sloop, Yellow Brick Road and Made Easy place in the top three spinnaker spots. In non-spinnaker, Iowa, Linda Carol and Mirth took 1st, 2nd and 3rd. For Summer #4, Primordial Sloop, Yellow Brick Road and Smokin J took top spinnaker honors while Linda Carol and Sweet Pea were 1st and 2nd in non-spinnaker. Thanks to the Gilmore's for the great cruise out to Sausalito and to Bill Stark and Larry Mayne for a wonderful Father's Day weekend at SFYC. Watch the calendar for more races and be sure to sign up for the Delta cruise out in August!

★ ★ Vice Commodore's Report

July is a happenin' month at the Club! We are lucky to have two...count them two...parties in July! We start the month out with our annual 4th of July party. Come join us at noon for lunch and stay the rest of the day partying, enjoying a good ol'

fashioned BBQ and ending the evening with fireworks! This year the 4th is on a Friday, so you can stay out late! Wink

Then join us 2 weeks later for Island Time on July 19th. In recent years, this has been the most popular of all our shindigs! Deb Blackmore and Ann McDonough are bringing the Greek Isles to life at our little marina. You won't want to miss it!

Are you handy around the house? Do you like to tinker? Our House Manager, Charlie Watt could use an extra pair of hands keeping our Club up to snuff and looking great. Give him a call to volunteer for an hour or two.

Drop-in-Dinners are at 1800 on Fridays, July 11th, 18th and 25th. Ryan has been cooking fabulous meals. If you have not yet sampled her cuisine, please come and join us. You will be happy you did!

Just a quick reminder to all members*****

If you are the last person to leave the Club, remember to check all of the doors. There have been a couple of incidences where our doors have been left unlocked.

Port Captain

Thanks to Bar Houston for taking care of the Port Captain duties while I was in Berlin and London on business.

The rain has finally stopped. Thanks to all who helped me keep the water out of the boats! With the warmer weather,

Guest Dock activity has really picked-up. In addition Sequoia members using the dock, we've had visitors from the Peninsula Yacht Club and the NASA Sailing Club. If you want to use the Guest Dock, make sure you contact me to arrange space.

Power Fleet Report

The Steel Hull, Steam Paddle Boat Project wishes to thank the great response for gear from our members. They are still hauled out for repairs and will soon have the sea trial before being trucked to New York for the summer

cruise down the Hudson River. I will give reports as they progress.

The Nauti Girls

Dear Nauti Girls,

My partner spends an inordinate amount of time on our boat cleaning things. (This is strange since he cleans nothing at home.) With the price of fuel being higher than ever, I've been looking for ways to save a few bucks on the many different cleaners that we buy. Do you have any suggestions on

how to save a bit on his boat cleaning fetish?

In A Lather

Dear Lather,

We're in favor of going green with the cleaning. Tell him to buy a quart of white vinegar, some bicarbonate of soda, some lemon juice and a low cost dish detergent. Vinegar is a diluted form of acetic acid. A shot glass or so in a bucket of water will handle most cleaning jobs well. Use it for sinks, drains, shower heads, and surfaces. Vinegar added to a detergent solution is also good for removing stains from upholstery. The sodium bicarbonate (good old Arm & Hammer) is useful on a damp cloth for cleaning chrome or stainless steel. It's also a great deodorizer for fridges and for removing tarnish. Lemon juice, when added to a spray bottle of water, makes a good spritz for mildewed canvas, which working with the sun will remove back spots and the funky smell real well. Our final tip, find some of his old concert T-shirts to cut up as rags. He'll enjoy reliving his lost youth as he scrubs and you'll gain closet space at home!

Ecologically yours, NG

Dear Nauti Girls,

We really appreciated your tips on how to keep warm on the water. Do you have any more you can share

Shivering and Miserable

Dear S & M,

Our motto is Never Suffer on a Boat. Have you tried skier's hand warmers -- put them in pockets, gloves, socks or anywhere else you might want a warm glow? Another hot item are "Sealskinz," waterproof socks that can be worn over wool socks to keep you warm and dry. There are also many high-tech fabrics nowadays that can outperform the bulkier natural fiber shirts, pants, sweaters, and jackets. We've heard that some sailors go for a propane heater

in the cockpit placed under a table to keep legs warm while under sail. Once at the dock, use a space heater in the cabin to warm it up quickly. Keeping yourself warm sometimes is best accomplished by keeping yourself fed. Try easy-to-prepare items like cups-o-noodles, cheese quesadillas toasted over the stove, or even a handful of nuts and raisins to keep you going. If all else fails, at least one Nauti Girl swears by hot buttered rum, arrgh!

With warm regards, NG

Sequoia Reads:

We are still planning to discuss Dawn Riley's "Taking the Helm" in June. We are working on getting Dawn to make a special evening appearance at SYC hosted by Rear Commodore, Petra Gilmore. We'll let you know when we have a confirmed date and we hope that many club members will turn out to let her know just how special we think this 'round the world skipper is.

Bill Oates' Traditional Delta Cruise Checklist

A Delta Cruise Boat should be equipped with:

1. Food and booze. Bring it with you. Few good stores in the Delta.
2. BBQ, charcoal, and lighter fluid.
3. Insect repellent and/or mosquito netting for the hatches.
4. Ivory soap. Two bars. It floats-sometimes away.
5. Clothespins. Bring a dozen. They are indispensable.
6. Pail or bucket. You may want two. They are frequently lost 'cuz they don't sink straight down.
7. Awning. Size equal to beam of boat and length of boom. Poles to spread and small lines to secure.
8. Boarding ladder. Strong and long enough to provide one full step under water.
9. Anchors. One 18-22 lbs. with 10 feet of chain and 150 feet of 5/8 line and one 12-13 lbs. (lunch hook) with 100 feet of 1/2 inch line.
10. Lines. Two 20 foot for docking or boat-to-boat. Two 35 foot spring lines or bow to tree tie-ups.
11. Fenders. Minimum of two, 8 inches or larger in diameter.
12. Dinghy. Row, sail, or power. Use for exploring, berry picking, visiting, etc.
13. Fishing gear, if you like that sort of thing.
14. Charts – SF Bay, Sacramento & San Joaquine River and Island chart.
15. Fuel: Depart with full tanks and Fuel for the galley stove.
16. Sun tan lotion or sun screen.
17. Air mattress and/or other water toys.
18. Canvas ice bag.
19. Wearable PFDs for all persons in the dinghies.
- 20.
- 21.

Note: items 20 and 21 are the things that I always forgot to bring.
