Commodore's Report

Byron Jacobs

Happy 71st Anniversary SYC! We celebrated in style at the Past Commodores' Dinner, prepared by Stephen Higgs and served by the Sea Mariners. We told stories, laughed and just had a great time having everyone together one more time. Check out the photos and the fun quiz Sheila Jones put together for you in this issue.

WE NEED YOU! It's that time of year again and John Graves has graciously agreed to chair the Nominating Committee this year. He selected Roberta Barnes, Petra Gilmore, Mike Harris and Dennis Lowe to join the committee and we thank them for their participation. Remember we are an all-volunteer club and need you to participate to keep us boating, eating, drinking, dancing, and singing. So, if you are interested serving as a Director or Flag Officer, or know someone who is, please talk to one of the committee members.

We had a special meeting and agreed to replace the freezers that have been around since the 70's or 80's. New, energy-efficient freezers will replace them.

Our Audit Committee, chaired by Treasurer Winston Bumpus, turned in an excellent audit and recommendations that were adopted by the Board of Directors at our June meeting. Thank you Katherine Maxwell and Theresa Howard for your outstanding work on the Audit Committee.

The weather finally cooperated in June and our cruise-outs some of the best ever. Sausalito and the Cavallo Point Spa couldn't have been better, the wine flowed at the first-ever wine-tasting cruise-out at the Picchetti Winery in the Santa Cruz mountains and I'm told the South Beach/Giants cruise-out was a win in every respect. A big thank you to Shannon Amerman, Theresa Howard, Luanne and John Graves, and Dennis and Grace Lowe for making these enjoyable excursions happen.

Many fun, summertime activities are coming up including the Delta, the Island Time Party, the Tin Cup Cruise-out, and the 4th of July. You don't want to miss them. Be sure to check the dates (in the Scope, the club or at www.sequoiayc.org) and sign up for these great events so we can meet again and catch up on things.

See you at SYC!

Vice Commodore's Report

Joseph Curtis

Our Vice Commodore, Joseph Curtis, and his wife, Oya, are on a family visit to Turkey for the month of June.

They are no doubt gathering more information that will make our Mega Cruise to Turkish waters in 2011 even more special.

No report.

Rear Commodore's Report

Kate Humphreys

I hope you had a chance to join us during our busy month of June for some of the great on the water events. We are enjoying a wonderful Beer Can season. The wind has been fair and the competition keen. Robin Weber has been a trooper in the galley and has certainly earned her galley slave cap. Thank you to those who have lent her a hand and are working toward one of your own. We really need some other folks to lend Robin a hand. Many hands make light work, so please, if you have not volunteered for at least two nights this season, step forward, your own galley slave cap is attainable.

July will be a bit quieter than June, but please come and join us for our Adult Dingy Sail on July 4th and then join in our traditional BBQ. Summer # 4 will be on Saturday, July 17th. Dust off those putters as the Tin Cup cruise out to San Leandro Yacht Club is scheduled for the weekend of July 10-11th. Please see Cruise Captain John Grave's column for more information.

The Delta Cruise is fast approaching. I had the chance to visit Delta Yacht Club in June and can tell you firsthand what a wonderful facility it is!!! Our theme this year will be "Captain Ron." You should have received an email by now about the date and time of the planning meeting. Please feel free to contact me or John Graves with any questions. Fair winds and good sailing,

Junior Sailing Report by Dan Humphreys

We wrapped up our spring session in May and are on summer vacation until September, but that does not mean things have been quiet. Peter McCormick traveled up to Inverness Yacht Club and purchased two slightly used El Toro's to augment our aging fleet. We may have a boat or two available for purchase. If you are interested, please feel free to give me a call.

PYSF is still in full gear. June brought BAYS # 2 at Richmond Yacht Club and July will bring BAYS #3 at Encinal. BAYS #3 will also be the qualifier in our region for the US Jr. National Championships for single handed (Smythe) and double handed (Bemis) sailing.

The Hannig Cup was sailed early this year (June 23rd) to commemorate our Star that put the "Star" in Sailing
Continued page 4, column 2.

A Look to the Past

Peter Nardini

Boating is a unique sport and recreation because of how it is organized. Did you ever think of sailing and yacht racing as an "Amateur Sport"? Our racing rules stem from the nautical "Rules of the Road." These have been expanded to include rules for the conduct and safety of the contestants.

The organization that represents yachtsmen and promulgates the rule is **US Sailing**. It originated as the North American Yacht Racing Union (NAYRU) on October 30, 1897. PICYA was one of the founding members. Canadian yacht clubs were also included. Joseph MacDonough was PICYA's representative.

Originally, NAYRU's authority was from the consent of its members. Now, its authority comes from an Act of Congress called the Ted Stevens Olympic and Amateur Sports Act of 1978. **US Sailing** has been affiliated with IYRA since 1927. By 1974, American sailors needed a better identification and the renamed themselves "**US Sailing**." After each Olympics, the racing rules are reviewed and, if needed, changes are made with the participation of US Sailing, the other countries and the International Yacht Racing Association (IYRA).

Another point of interest is that there is the unique system for adjudicating disputes. One can come before the Club's "Protest Committee", and if not satisfied, can take a further appeal to YRA of San Francisco and all the way up to the committee of **US Sailing**. Sequoia YC has been a member of NAYRU/US Sailing since their inception. Do you belong to **US Sailing**? If not, you should consider becoming a member to support the future of our beloved amateur sport.

Continued from page 4, column 1.

with the Stars, Louis Van Amstel's birthday. Ted shared his wonderful birthday theme, "Give Something Back" with Louis this year and he was generous enough to join us all and bring along a few of his friends from Hollywood to help raise funds for the Sea Scouts, the Mariner Scouts, the Marine Science Institute and PYSF. As of this press date, the numbers are still outstanding, but the dinner was sold out and we are hoping that we will be in excess of \$75,000 in contributions this year. Thank you to Kristin Butler and her wonderful team for all their efforts in pulling this event together. Ted, you are the best!!!!

Social Events

Good of the Order

Kristin Butler

July Fourth Party

We'll lead off with the "Bull Feathers" dinghy regatta for adults and children. Hecklers will be able to watch the action from the SYC deck. To participate, meet at the Junior Sailing Center, 10:00, for events running through until midday.

Afterwards join us at the club for an old fashioned picnic menu 13:00-16:00. Cost is \$10 for adults, \$5 for kids. Hot dogs, hamburgers and BBQ chicken with traditional sides. And most importantly, we'll have an Apple Pie Bake-Off! Come impress us with your 1st Place Pie. For details contact hosts, Tim & Carol Petersen.

LuAnne Graves

Anne Draeger's father passed away May 28th at the age of 87. Our condolences go out to the Draeger family for their loss.

New member Dan Begonia will have more time to enjoy his sailboat "Malaya", as he has retired from his professorship at San Francisco State University after 30 years. Dan taught Asian American Studies, and news of his retirement inspired an article in the school's newspaper which won the journalism award for "The Best Feature Article of the Year". Dan's teaching technique has transformed and touched the lives of many of his students as can be seen in the link from the article- <http://xpress.sfsu.edu/archives/life/014880.html> Congratulations, Dan, and here's to a happy and healthy retirement.

Kristina Zekos-Ortiz writes from onboard Caramelo that she and Ryan Harrison are waiting in Mexico for a weather window to head north. While planning to travel up the coast this season, Kristina says they are not sure how far north they will go. Kristina and Ryan send their regards to everyone at the club and say they "miss the beer can races and fireside chats".

Island Time Saturday, July 24th

*"I'm remembering back upon those days of my life
Lying down on beaches under palm trees
Rest assured paradise at Sequoia Yacht Club
There be nowhere where I'd rather be July 24th
Back there watching sunsets setting*

*Take me back to Island Time at Sequoia Yacht Club
Everything will be good
Where nothing really matters but the friends that you love
And all the simple things that should*

*Like reggae in the night, the beach and the moonlight
People dance the night away at Sequoia Yacht Club
The bay's over there, we've got sunshine everywhere
Let's soak our days away at Sequoia Yacht Club
Not a care in the world and all these island girls, man we love
our lives*

*Way back on island time at Sequoia Yacht Club
Back on island time at Sequoia Yacht Club*

*It kinda feels like I've just been taking a back seat to life these
days
I've been hanging around in the sun and the sand*

*And you know, every little thing feels okay at Sequoia Yacht Club
And I don't know what I'm gonna be doing today*

*I might just play a little guitar or drive in my car or I just might
do whatever I please
That's the Island Time way at Sequoia Yacht Club*

*Might hangout by the deck or by the bars
Listen to the island beats at Sequoia Yacht Club."*

17:00 until whenever

The menu will feature the Islands and Tropics of the United States... stay tuned for more information from hosts: Steve and Laurie Holmstrom.

We will have live music – the Hudson Street Band. Cost is \$20.00 per person if you sign up prior to July 10 and \$25.00 after July 10th. Children under 12 are \$1/year. Sign up at the club or by email to Steve@Toothvet.info

Membership

Jerry Jones

At the June General Meeting we had two first readings-- David Elliott from Sunnyvale who has been crewing on several SYC boats in our club races. Nominated by Brett Herr and Rick Gilmore.

John Zolck and Stacy Markel from Redwood City. They have a Newport 28 *Water Horse* in Sausalito and have been crewing in SYC racing. Nominated by Brett Herr and Chris Owczarek. Their applications are posted on the bulletin board in the galley hallway for your review.

David Elliott

John Zolck & Stacy Markel

Continued from page 7, column 1.

The whole project begs the question of where the water resources would come from to serve the needs of the new community. Tim Frank claimed that the developers have purchased rights to water from Kern County, which would also be available for other nearby areas. Stephen Knight countered that it's a plan that would "not survive the extensive regulatory review process."

So, it was a draw. We can look forward to many more years of discussions and negotiations before we see dramatic changes in our nautical neighborhood.

Racing Fleet

Tim Petersen

As we enter July we pause to look back on a race-filled June that sent us in and out of Redwood Creek Channel and up and down the bay in both daylight and moonlight. But it is only a short pause as we look forward to continuing our Beer Can, Summer and Single-handed series.

To kick off the month I am crossing over from the racing world to the social realm as Carol and I host the SYC Fourth of July party. Come out to the club to cheer on, or even better to get involved in small-boat races, to enjoy a traditional BBQ of hamburgers, hot dogs, chicken and an apple pie bake-off, and to swap stories about sailing, boating and racing. Your Large Fleet Sail Captain will be making traditional Chicago Dogs upon request, which are the best hot dogs in the world! Sign up at the club and break out your rolling pin and favorite apple pie recipe. Activities are planned for the entire day.

The Summer Series continues on Saturday, July 17 with race #4. If Summer Series #3 is any indication, we can expect a number of close finishes, where in the spinnaker division the difference in corrected times between first place Head Rush (Charlie Watt) and second place Smokin' J (Stan Phillips) was only 52 seconds, with third place Lucky Duck (Paul McCarthy) finishing only 7 seconds in front of Pizote (John Ryan). In the non-spinnaker division, Linda Carol (Ray Collier) and Sweet Pea (Tim Petersen) are tied for first in the series standings, with Iowa (Rick Dalton) only one point behind.

A modified crew pick-up sheet has been posted on the bulletin board at the club. Put your name on this list if you are interested in crewing in one or more of the series or special races and I will let skippers know about availability. Check out the SYC web site for the latest series standings. Continue to mark your calendar with Dos Equis every Wednesday for Beer Can Racing, and don't forget Single-handed Series #3 on Saturday, July 31. July should be a great month for racing and I look forward to seeing you at the start line.

For Nauti Girls & Buoys

Deb Blackmore

The speakers at the May 27th community briefing held at Atherton's Holbrook-Palmer Park Pavilion did not succeed in winning the hearts and minds of local residents with their arguments for and against development of the Redwood City Salt Works.

Environmental consultant, Tim Frank, representing property owner, Cargill, and the DMB project team, claimed that the infill parcel is an important opportunity to provide new housing for 30,000 people who commute to Redwood City every day to work. He outlined a "sustainably designed" commercial and residential development that would "get people out of their cars" by offering affordable homes in the heart of the job center. There would also be a public transportation link to connect with CalTrain for commuting up and down the Peninsula.

Stephen Knight, political director for Save the Bay, offered the opposing point of view. Citing the potential for horrendous traffic on Seaport Boulevard and the exposure to hazardous pollutants from the harbor side industries, Knight concluded that the proposed development is just another example of dangerous urban sprawl on the "wrong side of U.S. 101."

An extensive levee would be necessary to protect the proposed development, which is below predicted future sea levels. Taxpayers would, of course, be picking up the tab for new homes and businesses threatened by rising waters.

Opponents of the development suggest that the best use of the site would be to restore the original wetlands habitat. As idyllic as that would seem, it would also be prohibitively expensive with costs that would be borne by the public. A compromise plan has been proposed by DMB to restore approximately 50% of the wetlands as "green space" for parks with the remainder for stores, offices, schools and housing.

Continued on page 6, column 1.

Cruising Fleet

John Graves

We offer a big thanks to Shannon Amerman and Theresa Howard for a very successful cruise-out and spa trip over Memorial Day. We had wonderful weather, great sailing, outstanding food and our best friends come together for a great three day weekend.

We also had a great cruise-out to South Beach and SF Giants baseball June 12 & 13, thanks to Dennis and Grace Lowe. We were treated to wonderful warm weather, a great dock party, and an exciting game.

The next trip is to San Leandro YC for Tin Cup Golf, July 10 & 11, hosted by John and LuAnne Graves. We'll have our informal round of golf, followed by dinner and awards at the club Saturday night, with a breakfast Sunday morning. You should have already signed up at the club for this popular event.

In August we'll head to the Delta, with an optional stop on the way up at Petaluma. Kate Humphreys has arranged for us to stay at the upscale Delta Yacht Club, with amenities we've never seen in the Delta like running water, bathrooms and electricity! This should be a great trip! Even better if you follow the lead of Robin and Kathryn Weber up the Petaluma River for a weekend of shopping, dining and antiques in a great location, Saturday and Sunday nights before the week in the Delta.
