Commodore's Report

Byron Jacobs

February and March are very busy months around our club. We have lots of parties (don't miss St. Pat's!), cruise-outs, cruise-ins, races, regattas and even a clean-up day thrown in for good measure. Be sure to check out all these great activities here in the Scope and mark them down on your calendar.

We mourn the loss of a great friend, member and director, Bob Eustace. He will always occupy a special place in our hearts. I'm pleased to say that your Board elected Terry Burley to finish out Bob's term as director. Please join me in wishing him the best.

With the great racing tradition here at Sequoia comes competitiveness that sometimes borders on the overly aggressive to the detriment of our reputation. Let's all keep in mind that sail racing is a sport of rules, sportsmanship and good manners. In the end we are all family.

Our Board also asked me to address with you our policy toward alcoholic beverages. These beverages cannot be brought into the club or taken out of the club under any circumstances. Any alcohol consumed in the club must be purchased from the bar – even for private parties. If you are not familiar with this policy, please take the time to read item #8 of our House Rules in the back of your membership roster.

February saw us welcome Danilo Begonia and Daryll Santuray to our membership. You'll probably recognize Darryl from the San Carlos West Marine – the only place that can turn gold into stainless steel!

We just keep growing and having wonderful times at our fabulous club. I look forward to seeing each and every one of you there.

San Francisco Yacht Club Cruise Out April 17-18, 2010

Mark your calendars to save the date for our annual taste of luxury at Belvedere Cove in Tiburon. Your hosts, Peter and Deb Blackmore, will be publishing cruise notes in March. Our stay will include dockside cocktails, dinner at the club and breakfast Sunday morning.

Sign-up at the club or contact:
blackmorepeter@yahoo.com.

Vice Commodore's Report

Joseph Curtis

February was sure a busy social month, with the Wednesday Lunches, the Super Bowl Party, the Sweetheart's Ball, Chinese New Year DID, and the Bingo DID, but March is going to be even more fun if you can imagine!

Everyone should put this year's St. Patrick's Day Party on their calendars now so no one misses out on all the fun! It will be on Saturday, March 13th. We will have live music from the Celtic Heart band and a fantastic, traditional Irish corned beef dinner prepared by Al Montoya and crew. The sign-up sheet is in the lounge, seating is limited, so make sure you sign-up early to ensure your spot.

We have a couple of special Drop-In Dinners in March. In addition to the Business Meeting DID on March 5th, on March 19th, after dinner, Past Commodore Steve Holmstrom and his wife Laurie will be discussing their cruise to the South Pacific and showing some of their incredible pictures. On March 26th, after dinner, yours truly and Oya will present the first of a short series on cruising in Turkey to whet your appetites for the 2011 Mega Cruise.

Also, remember that **Saturday, March 27th**, is the annual **Club Clean-up Day**.

Despite the connotation of work, this day is actually a lot of fun as club members give the club facilities a good spring cleaning.

Watch your email for additional details as we get closer to the day. See you at the club!

Rear Commodore's Report

Kate Humphreys

Happy Spring! The (t)ides of March are upon us and South Bay Opening Day is fast approaching. It is time to start thinking of decorations for your boat! Our theme this year is ***"Ride the Tide to the South Bay"***. I would love to hear from volunteers willing to help out with breakfast and lunch on April 10th as well as on the water activities for the day. The next SBOD planning meeting will be at 19:00pm on March 3rd here at Sequoia. If you cannot make the meeting, please let me know if you can lend a hand. It is a big event for the club and a great opportunity to share Sequoia with our friends and neighboring clubs.

We are well into our racing schedule this year and fun is being had by all. Our Winter Series will wrap up this month with race 5, the St. Patrick's Day race, on Saturday, March 13th followed by our St. Patty's dinner and celebration. Come join in the fun! Redwood Cup will also wrap up this month with race 5 on Sunday the 28th.

Beer Can season will begin with a mandatory **Pre-Season Rules Dinner on April 7th at 18:30**. Please plan to attend as Beer Can Fleet Captain, Steve Holmstrom, will be discussing recent rule changes and additional course offerings. Our first Beer Can race for the season will be on April 14th.

By the time this arrives, we should have a new S Mark that is secure, safe and highly visible. A big thank you goes out to our Large Sail Boat Fleet Captain, Tim Petersen, Winston Bumpus and the other SYC volunteers who made this possible.

As we transition into spring racing, I would like to provide a gentle reminder that we are all friends as well as sportsmen and women on and off the racecourse. Treating each other with dignity and respect makes the beers taste that much better at the end of the day. I look forward to seeing you at the club and on the water!

A Look At the Past

Peter Nardini

The other day at our Wednesday Lunch, we tried to recall when did it started. They thought that it would be a nice idea get our members together and socialize, oh, and to make some money. With the approval of Vice Commodore Ed Copeland, the first lunch was announced for Wednesday, January 18, 1989. The menu would consist of SOUP and dessert. It was remarked that there were three recipes that Bill used and he would add whatever was left over from the previous DID. When Bill was no longer able to carry on, Marilyn Schantz, took over. But they moved north and then Ed Copeland became the cook. He and his crew continued to prepare SOUP. He varied the recipes, but it was noted that they came from a cookbook for people concerned about their heart. It was a health soup.

About 2003, Gaylord Van Dyne with his helpers began preparing the lunch. And today, you can't find a better menu for 6 Bucks anywhere in the Bay Area. There is a selection of entrees, vegetables, stuffed eggs, a salad, and of course ice cream dessert. Sometimes, there's a soup, but not often. Most important, it is still a time for us to get together, which was one of its original and best purposes. So come enjoy feasting on good conversation and good food with your boating friends. The menu may not include healthy soup, but it could be just what the doctor ordered!

the season, the yacht whose skipper sponsors the new member shall receive the adjustment. The skipper of a rented yacht who joins will carry the adjustment with them to another identical rented yacht.

Kristin Butler

Congratulations to Larry Mayne and Vince Francis on a super spectacular Super Bowl Blowout. Regardless of whom you were rooting for, partying with your friends at Sequoia made everyone a winner!

Thank you to our most wonderful Kathy Harris. Kathy hosted and arranged our Sweetheart's Ball. The evening was elegant, delicious and fun. Live music and many SYC couples filled the dance floor, after the gourmet dinner prepared by Stephen Higgs and Sherry Warburton. Special thanks to Gaylord Van Dyne for serving up the fabulous meal, along with his friend Bob Whitehead. Thanks also to Jeanne Jacobs for welcoming our guests, and Robin Weber and Theresa Howard for the galley cleanup.

Come out on **March 13th** to celebrate **St. Patrick's Day** at SYC. Al Montoya will be serving his famous corned beef dinner. Back by popular demand and traveling all the way up from SoCal, the **Celtic Heart Band** will be performing all the lively, toe tapping sounds of Ireland.

Steve Holmstrom's mother passed away January 31st. We send Steve and Laurie our condolences.

Dan and Linda Doud are grandparents again! Their son Darren and his wife Lauren welcomed baby girl, Addison Elaine, on January 23rd.

Ryan Harrison and Kristina Zekos-Ortiz are enjoying cruising the waters of Mexico on their 31' Pacific Seacraft *Caramelo*.

Good of the Order

LuAnne Graves

Our dear friend, **Bob Eustace**, passed away peacefully January 31st. Bob had been ill for many years, but continued to be as active as possible, serving as director for the past year and a half. A WWII veteran, Bob shared his experiences as a war photographer to middle school children, as well as our own boating community. He spoke to a packed house at Sequoia on December 7, 2001, just weeks after the September 11th attacks, to give us a glimpse into the war in the Pacific after Pearl Harbor. It was said that those talks were one of the things that kept him going, to share the history of a time that seems to be fading away in our memories with every passing year.

Bob shared so much more with our club. For many years, Bob was our Santa at the children's Christmas party, sailing in on Rob Lacomble's red boat to cheering children waving from our club's deck. It was a joyful time for all to see Bob come into the club in his own personal red suit, booming voice, and huge bag of toys for the kids. Bob would have loved to continue in the role, but illness sidelined him. He would still show up for the party in later years, perhaps to critique the new guy in red. Bob was active in the junior sailing program, assisting in the shore boats. He spent so much energy maintaining the shore boats, especially Blue Max, that many of those boats are still afloat thanks to his commitment.

Bob was a wonderful person to chat with, and he would share his stories of how he and his wife, Charlotte, visiting Glacier National Park by motorcycle/sidecar, of how they used to manage a motorcycle clubhouse, and their grandchildren. Bob could be seen on Tuesday nights, spending the evening at the club by the fire, reading a book while Charlotte enjoyed the company of Ladies Card Night. In many ways, Bob was the heart of this club, a generous soul with a gift of connecting with people of many different ages, and with a true love for the members and Sequoia Yacht Club. Bob, you will be missed so very much.

Fred and Shirley Soderer passed down the word that Past Commodore **George Wasilewski**, known as G-Waz around the club, suffered a stroke at his home the first week of February. He is recovering and receiving physical therapy in the Mt. Shasta area. If you would like to contact him, his email is gjwaz@frontiernet.net.

Racing Fleet

Tim Petersen

March is a month of transition for SYC racing, with both the Winter Series and Redwood Cup Races coming to a close. The Winter Series ends with Winter #5 on Saturday, March 13th. This race also doubles as the annual St. Patrick's Day Race and is run as both a series race and an individual race. A bottle of Irish whiskey is up for grabs in both the spinnaker and non-spinnaker divisions and anyone who participates in the race has a chance to win.

The 2010 Redwood Cup Series also comes to a close in March. At the time of this writing, race #3 was the last race in this series. In spite of overcast skies and the threat of rain, it turned out to be a great day to be out on the bay with the opportunity to sail in 10 knot SE winds. Congratulations to *Linda Carol* (Ray Collier) for taking first place and *White Dove* (Mike Garl) and *Head Rush* (Charlie Watt) for taking second and third place respectively. Mike Garl continued his winning ways on the SYC grill after the race serving up a great batch of BBQ sausages.

The Winter Series race #4 was held on Saturday, Feb. 6. There were 9 boats in the race, with 6 in the spinnaker division and 3 in the non-spinnaker division. There was no problem with a 13:00 start for this race. The course was 3/4 - Bs - Ys - 12p - 3s/4 for a total of 9.56 miles. Congratulations to *Head Rush* (Charlie Watt) for taking first place and for wrapping up his first place position in the Winter Series. Congratulations also to *Smokin J* (Stan Phillips) and *Pizote* (John Ryan) for taking second and third place respectively in the spinnaker division. In the non-spinnaker division, *Linda Carol* (Ray Collier) took first place, and *Sweet Pea* (Tim Petersen) and *Iowa* (Rick Dalton) took second and third place respectively.

The Single-handed Series starts on Saturday, Feb. 20, so there is an opportunity for everyone to get involved in both crewed and single-handed racing. Mark your calendars now for the **Winter #5 / St. Patrick's Day Race on Saturday, March 13th, and for Redwood Cup #5 on Sunday, March 28th**. As always, race information, schedules and results can be found at www.sequoiayc.org, then click on the SYC Racing tab. Looking forward to sailing with you on the bay.

For Nauti Girls & Buoys

Carole Bumpus

The Southern California Yachting Association, hosted by Bahia Corinthian Yacht Club of Corona del Mar, California, put on the **21st Annual Women's Sailing Convention** on February 6, 2010. In spite of torrential downpours, flooding and trepidation inspired by stories of 'giant squids' swimming in local waters, eight stalwart Sequoia Club Yachtswomen took up the invitation to come, join in and become active members of the sisterhood of women on the water. And, they took on the challenge: to learn to enjoy the 'zen' of sailing, along with tackling the trials, tribulations and hazards of being on the water.

Led by Nauti Girls' Ann McDonough, and skillfully organized by Kathryn Maxwell, LuAnne Graves, Monica Graves, Sherry Smith, Jill Visor, Carol Petersen, and Carole Bumpus joined women from southern California and beyond, in workshops slated to meet the experience levels (Beginner, Intermediate and Advanced sailors) in class rooms and onboard (loaned) sailboats.

Our Sequoia Club yachtswomen were immediately immersed in presentations on and off the water, given by knowledgeable and experienced captains and helmswomen on topics such as Basic Navigation, Suddenly Singlehanded, Docking, Anchoring, Weather, Nighttime Sailing, as well as Intermediate and Advanced Sailing.

All of us returned to Redwood City prepared to take our newly-learned skill sets to higher and bolder levels. Men, prepare to peel your grubby paws from the wheel and take up the dock lines!

March 10th Safety Inspection Day

As many of you know, the U.S. Coast Guard Auxiliary offers free annual safety inspections for local boaters. Their careful eye for details and suggestions for improvements may earn you an insurance discount or a "pass" for boarding by on the water law enforcement. So set aside some time to be on your boat and at your dock on **Saturday, March 20** and the USCG Auxiliary team will stop by for a friendly chat and check. They'll be making visits to both Redwood City Marina and Westpoint Harbor. Contact Gaylord Van Dyne at portrightind@aol.com for more details.

Beer Can Fleet

Steve Holmstrom

We had a Fleet Meeting on January 20th to prepare for the 2010 Season. We reviewed the **Notice of Race (NOR)** and made some revisions.

Some key points:

Pre-season rules dinner: April 7, 2010, 1830

First race: April 14, 2010

Last race: October 13, 2010 (27 races total)

Assistant Fleet Captains: Petra Gilmore, Alex Huang

Galley: Nick & Robin Weber

Changes to the NOR:

Course revision: Course 6, black over white pennant S/F, 12p, Ys, S/F 8.87 nm - this is essentially the reverse of the very popular Course 7, and should allow for more Spinnaker work.

New description of X buoy: X is a white PVC pipe with a red stripe near the San Mateo Bridge in a direct line above Y & S, located at 37deg 35.5N, 122deg 13.2W.

Adding on to the Decision to Race section: At the discretion of the Beer Can Fleet Captain the race may be abandoned and no prizes will be awarded on that evening.

Spinnaker and Non-Spinnaker Divisions: There shall be 2 divisions, Spinnaker and Non-Spinnaker, which shall be declared on the registration form. Switching within the season shall result in forfeiture of any victories won toward the seasonal award for most wins and will not affect any accumulated adjustments to start time as per these racing rules.. Switching divisions shall only be allowed by resubmitting the registration form indicating the change to the Acting Fleet Captain 24 hours prior to the start of the race.

Prizes: There will be a prize awarded to the skipper of the first-to-finish vessel after each race in Spinnaker, Non-Spinnaker and Merit Fleet.

Start times, new member bonus: Any time a skipper or crew member of the yacht becomes a member of Sequoia Yacht Club, the yacht shall be awarded an increase in her PHRF Rating by 6 for the remainder of the season. Should a crew member regularly participate on more than on one yacht during *Continued on page 4, column 2.*

Sequoia members and their families get a \$25 discount on the session pricing! Apply now to ensure your spot.

We had a great time hosting the high school teams from up and down California for the Cardinal Regatta breakfast, Sunday February 27th. Thank you so much to Larry and Robin Mayne, Steve and Laurie Holmstrom and their galley crew for the great breakfast. We are hosting a dinner Saturday and breakfast Sunday for Stanford's MacIntyre Regatta team race the weekend of March 6th and 7th. We will have college students from across the country in attendance. SYC member and Olympian, Steve Bourdow will be cooking up his infamous gumbo for dinner on Saturday. Larry and his galley crew will once again be manning the grill on Sunday for breakfast. If you get a chance, come by and meet the sailors and share a bite to eat. Come early on Saturday or stick around on Sunday as the sailing is pretty fantastic to watch as well!
