## Commodore's Report

*Byron Jacobs*

### Ahoy Sequoia YC Members!

Well, it's that time of year again. John Graves and his nominating committee have put together a fine slate of recommendations for the **2011 Directors and Officers** open positions. We will have the nominating meeting on September 17th and the elections at the meeting on October 8th. Remember that members can make additional nominations at the September meeting. Please join me in thanking our nominating committee: John Graves (Chair), Petra Gilmore, Roberta Barnes, and Mike Harris. Also, let the people on the following list know how much you appreciate their offer to give so much of themselves for the good of our club.

### Nominating Committee's Recommendations for 2011 Directors and Officers

Commodore: Joseph Curtis  
Vice Commodore: Kate Humphreys  
Rear Commodore: Peter Blackmore  
Staff Commodore: Byron Jacobs  
Port Captain - Dan Lockwood  
Treasurer - Winston Bumpus  
Secretary - Tod Klingler  
Directors -  
Grace Lowe  
Doug Murray  
Tim Petersen  
Brett Herr (continuing)  
Ted Hannig (continuing)  
Don Inouye (continuing)

And thank all of you, my SYC family, for making our club such a wonderful place (to paraphrase a great line from my predecessor) to plan, cook, joke, work, laugh, repair, lead, support, love, boat, eat, drink and play.

## Vice Commodore's Report

*Joseph Curtis*

It has been quiet around the club house during the month of August; the parties were all in the Delta and Petaluma. However, we have one of our great parties coming up on September 11th: the **Western BBQ and Square Dance**. Mark it on your calendars and plan to swing your partner 'round and 'round. Also note there will be no DID on Friday, September 10th at Sequoia, as the dinner will be held at Coyote Point Yacht Club as a part of the Barth Race celebrations.

August 15th saw a crew of club members prepping the club building for Mike Garl's paint crew. The building was power washed and the landscaping pruned away from the building in preparation for the fresh coat of paint. Thanks go to Dennis Lowe, Robin Weber, Kathryn Maxwell, John Draeger, Ron Stingley, Sheila Jones, Ann McDonough, Bar Houston, Bryon Jacobs, Jeanne Jacobs, Carole Bumpus, and Winston Bumpus for giving up a Sunday morning and for all of their hard work. Also, thanks go to Kate, Dan, and Chris Humphreys for starting the pruning work a week earlier and a special thanks to John and Bar for bringing power washers and a chain saw. By the time you read this article, the painting will probably be done and the club will be looking great!

The dates for the **Mega Cruise to Turkey** have been set: **July 2nd through the 9th**. Keep in mind that these are the sail dates, so you will want to plan vacation days before and after to explore and enjoy all of the rich culture Turkey can provide. If you are interested in keeping informed about the Cruise, send me an email so that I can add you to the distribution list. There will be a meeting in the next couple of months which will provide more details about the Cruise, and an announcement will be made when that date is selected.

## Rear Commodore's Report

*Kate Humphreys*

**Happy September!** We had a wonderful trip to the **Delta** in August. The weather was PERFECT!! **Delta Yacht Club** couldn't have been more hospitable. A big thank you goes to our hosts, Commodore Rich Strasser, Vice Commodore Fitz Fitzgerald, Treasurer Tracy Fitzgerald, Director Kathleen Barr and Island Caretaker Moises Ramirez. SYC folks enjoyed hot showers, electricity at the dock, fresh ice, bocce ball, horseshoes, volleyball, pitch & putt, star gazing (thanks to Greg Jones), swimming, ping-pong, playing pool and camaraderie dockside.

Our party on Tuesday had many characters! We had several Captain Ron's, but Byron, I think you took the cake (you knew all your lines!), with Rick Gilmore a close second. Dan and our good friend Barbara Angelini transformed **DYC** into a Caribbean oasis. We started the evening with cocktails and hors d'oeuvres, before we were treated to delicious grilled Jerk Chicken, Caribbean Flank Steak and plantains on the wonderful BBQ's provided by **DYC**. Coconut rice and beans, tropical salad, and ambrosia were the accompaniments with pineapple upside-down cake completing the dessert table. Many (too many to mention) helped with the food and worked tirelessly throughout the day to make the party a success. Larry Mayne provided his DVD of **Captain Ron**, which we enjoyed in the clubhouse (safe from mosquitoes). Thank you so much to all who helped and attended and for making this such a great Delta party. It was unanimous by this year's Delta rats that we want to return to **DYC** next year...please stay tuned.

We have a lot going on, on the racing front this month. (Check out Tim Petersen's report for Racing Fleet.) The **Barth Race on September 11th** (followed by the Western BBQ), the Singlehanded #4 which is combined with the Commodore's Cup on September 25th, plus the **Beer Cans** which continue on **Wednesday** nights. Many thanks to those of you who have volunteered to help out in the galley for Beer Can's with a special shout out to Robin Weber (*Webtide*).

Hope to see you all on the water! (more on Pg. 10)

## Jr. Sailing

*Dan Humphreys*

Each year US Sailing hosts the **Double Handed Championship (Bemis Cup)** with only the top two teams from each region qualifying. There are twelve regions across the US. Our youth sailors, Kyle Larson and Chloe Lepert, tied for first at our regional qualifier the weekend of **July 17-18th**. They went on to represent **Sequoia Yacht Club** at this national event competing **August 14-19** in San Diego. Results not available at press time. Go to:

<http://championships.ussailing.org/Youth/ChubbJrChampionships.htm>.

Keely Haverstock and Jacqueline Day participated in the **US Junior Woman's Singlehanded Championship** where they competed for the **Nancy Leiter Clagett Memorial Trophy**, in Laser sailboats. They raced from **July 18-23** in Florida at the **Coral Reef Yacht Club**. The ladies brought along a **Sequoia Burgee** to exchange. Jacqueline and Keely both had respectable finishes of 28th and 39th respectively out of a fleet of 46 boats. To view some great pictures:

<http://championships.ussailing.org/Youth/USJrWomensSinglehanded.htm>.

The **Bay Area Youth Sailing** series (**BAYS**) is well underway. Currently, Chloe and Jacqueline are in 2nd place; and Sam Heller and Joe Farned are in third - all sailing in **420's**. Cash Callahan and Amanda McGee are in 2nd place sailing **CFJ's**.

**Sequoia's Junior Sailing** will be starting up again in September, so if you have a youth between the **ages** of **9-15** who is interested in learning to sail, please drop me a note **ASAP!** **PYSF** will also begin its fall season of high school racing this month, so if you know a youth **8th grade - high school** interested in learning to race and/or racing please contact Eric Anderson. Their school does not need to have a team up and running to join in the fun.

When you see our youth sailors – please wish them well and give them a pat on the back. They are doing a wonderful job of representing **Sequoia** locally and around the globe.

## Social Events

*Kristin Butler*

Another **Island Time** has drifted into the sunset. The music was hot, the food amazing, thank you to Steve and Laurie Holmstrom for hosting the liveliest event of the **SYC** summer.

Larry Mayne is cooking up his famous **Western BBQ** on Saturday, **September 11**. And afterwards, Square Dance caller, Jim Osborne, will teach and lead us in this fun dance. I bet we are probably all newbies to square dancing, so come, laugh and be a part of the action!

Cocktails at 17:00

Dinner at 18:00

Dancing begins around 19:30

Dinner \$15/adults, \$8/child

Sign up at the club or contact me at

[krisgbutler@gmail.com](mailto:krisgbutler@gmail.com)

### Calling all SYC members!

Do you love our Social events? **Oktoberfest**, scheduled Saturday **October 16**, is in **need of a host**. This is a fun and easy event, and I would co-hosting with you!! Please let me know if you would like to co-host this event. [krisgbutler@gmail.com](mailto:krisgbutler@gmail.com)

### Swap Meet – September 18th

Think about this: an opportunity to **clean out** the garage, boat or whatever and maybe go home with some money or some new junk. The swap meet is coming Sept 18th, bright and early. (Official start time is 8 a.m., but the real start time is usually around 7 a.m.).

Bring whatever you want to get rid of: tools, boat parts, house hold things, sporting goods, junk and other neat stuff. We have actually had a few boats sell!

You just never know what someone will take a fancy to or need your broken piece to fix their broken piece.

Larry has agreed to do the **pancake breakfast** again. \$6.00, all you can eat--still one of the best deals in town.

Sale will be held in the parking lot in front of the Club. The best part of all of this is, **IT'S FREE!**

Be sure bring or at least invite your friends.

If you have any questions,  
call **Mike Harris**: (650) 208-3914

## Good of the Order

*LuAnne Graves*

Dan and Linda Doud would like to thank the members for their love, support and comfort during this difficult time.

Also, Dan and Linda's 2 ½ year old grandson, Paul, will be traveling to Houston, Texas, to undergo a bone marrow transplant on Sept. 7th.

Judy Bear's sister passed away in Oklahoma.

Pat Richardson's mother is having eye surgery.

Milt and Carol's grand-daughter Brit was involved in a car crash and sustained serious injuries. They are so grateful and happy she is alive and will walk that nothing else matters.

### Half Moon Bay Cruise out

Friends,

Our **Delta Cruise-Out** has just ended and already your **Blue Water Cruise-Out** Committee is hard at work penning cruise-out notes, acquiring reservations, planning games with highly coveted prizes and generally anticipating loads of fun.

Sequoia Yacht Club enjoys the **Blue Water Cruise-Out** on **Labor Day weekend**, which is **Sept. 4, 5 & 6** this year. The Committee has posted the sign-up sheet, so be sure to add your vessel and crew to the list. Along with signing up, please indicate if your crew plans to have dinner. We have reservations on **Saturday at Half Moon Bay Brewing Pub** which is a casual pub style dinner. On Sunday, we have made reservations at **Mezza Luna** which is more elegant. The menu has been posted at the club and also attached above. You will not want to miss it!

Yours in fun, the **Blue Water Cruise-Out Committee**.

## Racing Fleet

*Tim Petersen*

**September** is a busy month for the **SYC** racing fleet. Although our Summer Series ended in August, we use this as preparation for the **Barth Memorial Regatta** on **September 11th**. This is an annual event held in conjunction with the **Coyote Point Yacht Club**, and **Sequoia** is keen to take top honors in this year's competition. Come on out and represent our club as we take on the **CPYC** racing fleet. Check the **SYC** web site for the latest **Notice of Race**, and don't forget the dinner at **Coyote Point** on **Friday night, September 10th**, and the **Western BBQ** at **Sequoia** on **Saturday night** after the race. It should be a fun weekend.

The single-handed series concludes on **September 25**. In addition to being the final race of the series, this race is also the **Commodore's Single-handed Race**. So even though Phil MacFarlane has wrapped up first place in the series, top honors for the **Commodore's Cup** is up for grabs. This is the most popular single-handed race of the year, so be sure to come on out for an exciting end to the **SYC 2010 Single-handed Racing season**.

Our **Beer Can Series** continues on **Wednesday nights** with the **Sequoia Racing Fleet** turning out in force each week for this fun, on-going competition. The **Los Gatos Invitational Challenge** also is underway, starting initially as a competition for the **Merit fleet** within the **Beer Can Series**, and finishing as a **Thursday night** race. The final race in the series will be held on **Thursday, Sept. 23**.

**Race schedules and results** can be found on the **SYC** web site. September begins the planning process for the 2011 racing calendar, so if you have any suggestions regarding the schedule or ideas as to how to improve our racing program, please be sure to let me know. Better yet, get involved in the planning for next year. See you on the Bay.

## For Nauti Girls & Buoys

*Carole Bumpus*

### NAUTI-GIRLS' SAIL-AWAY CIOPPINO (6-8 Servings)

- 
- 1 Tablespoon olive oil
  - 1 medium onion, chopped
  - 3 cloves garlic, finely chopped
  - 1 medium bulb of fennel, chopped (about 1 ½ cups)
  - 1 large can (28 oz.) of Italian peeled tomatoes with garlic, oregano and basil
  - 2 bottles - clam juice
  - 4 cups of water – (actually, I use chicken broth or more clam juice with a bit of white wine)
  - 1 tablespoon lemon juice
  - 1 lb. Linguica or Italian sausage (cut into chunks and pre-boiled to release the grease).
  - 1 teaspoon fresh or dried basil, crushed – or Italian herb mix
  - ½ teaspoon salt
  - 2 pinches of crushed red pepper flakes
  - ½ cup of Orzo pasta or small shell pasta, uncooked
  - 1 box of frozen artichoke hearts, quartered
  - ½ lb. shelled, de-veined shrimp
  - 1 cooked Dungeness crab – (2 lbs.) or ½ lb. of white fish
  - 1 ½ lbs. littleneck clams in shells (scrubbed)
  - 1 lb. black mussels (scrubbed and de-bearded)
  - ¼ cup of chopped Italian parsley

No Board Meeting, no General Meeting, no Report

*Continued Cioppino Recipe from page 6:*

1. In a large kettle, heat the olive oil over medium-low heat. Add the onion, garlic and fennel. Cook slowly for about 10 minutes, until soft and slightly browned.
2. Add the canned tomatoes, broth or clam juice, lemon juice and maybe some white wine you can spare.
3. Add in the linguica or sausage, and spices. Simmer on low for about 20 minutes. Add salt to taste. (Can stop process here and resume on your boat.)
4. Add uncooked pasta and artichoke hearts. Simmer (or re-heat) for a few minutes, then
5. Add the seafood, according to the size and weight— heavy first, with fish, then add the mussels and shrimp last. Cook until the clams and mussels have opened fully. Probably around 7-9 minutes. (Crab can be added to the broth, cover and cook for another 2 to 3 minutes.)
6. Ladle into wide bowls and sprinkle with parsley. Serve with plenty of crusty Italian bread. Enjoy!

Plan to arrive no later than 10 am Saturday as the entrance to the Aquatic Park cove will be closed off.

I have **3** additional slips reserved at **South Beach** for Friday night, but would need to return those no later than 15 days before the event if nobody wants them. Please contact me for your slip confirmation at South Beach for Friday night.

## **Petaluma Cruise-Out:**

Three boats sailed to **Petaluma** on **July 31st** for the optional 1st leg of the **Delta cruise-out**.

John and Linda Ryan hosted the *Agave* and *Metridium* crews at the **Berkeley Yacht Club** for a stopover on Friday night. We enjoyed the bar overlooking the bay and a tasty BBQ dinner as we watched the Friday night Beer Can Racers return to the marina through a beautiful sunset.

We met Stephan Wendl and his son on *Yang Fan* at the Petaluma River channel entrance. Going up river was just as you might expect ... a sunny, warm, scenic trip with marshes, water fowl, a few wrecks, small waterfront settlements and vineyards on the hills above the river. We arrived on time for the bridge opening and we were the first boats to arrive at the Petaluma Yacht Club dock. Mark Millett and Anne Cohen blacktopped to Petaluma to join us. We met two of the PYC officers on their deck and accepted the commission of Rear Admiral of the Petaluma Navy for Byron Jacobs. Dinner at Dempsey's Restaurant & Brewery and dessert at Lala's Old Fashioned Ice Cream Parlor ended a perfect cruising day.

We had an early wake up and bridge opening on Sunday to catch the ebb for a chilly trip down river. At the channel entrance, *Metridium* and *Yang Fan* headed east to the Delta and *Agave* continued south to Redwood City. The flood started, the sun came out and the wind eased for a nice spinnaker reach back to Redwood Creek. It is trip I look forward to doing again!

**More from Kate:** PS –Correction to the July Scope, Rear Commodore’s Report: I did not donate the Silver Perpetual Hannig Trophy. The donation was generously provided by George Carr and his good friend, John Crevelt, of Krefeld’s Awards in Redwood City. Thank you George and John!

The Party at Delta Yacht Club: I was spoiled this year to have a well stocked galley, with swamp cooler to prepare the dinner, and a big screen TV along with fresh popped popcorn, compliments of DYC. Doris Bliven provided a delicious skewered mozzarella, basil and tomato hors d’oeuvre. Wow can Robin Mayne carve up a mango! Barbara, thank you for the mimosas! Chris and his friend Taylor Parish were joined by SFYC members Shawn and Rich Wideman in the galley for clean up. Ron Stingley also deserves a big thank you for investigating Larry Mayne and Bill Stark’s suggestion for this new venue and for procuring the reservation.
