Commodore's Report

Byron Jacobs

The final SYC fiscal results for 2009 are in and look great! Net income for the year came in at \$28,623, a 56% increase over our target. Congratulations to all who made this possible. We will be able to post this to our reserve fund and it will make a huge difference in helping to finance the deck project and other needed improvements around the club. Our Treasurer, Winston Bumpus, presented our 2010 budget at our January General Meeting and it was approved by the membership. The new budget forecasts total net income for the period ending 12/31/2010 at \$22,164 after a last minute reduction of \$100 as SYC's donation to the South Bay Opening Day fund.

The deck improvement project is moving along, somewhat glacially, with permits under review by the Bay Conservation & Development Commission (BCDC) and the City of Redwood City. We expect to hear some results by early to mid-February. Ken Olcott and Caitlin Gilmore are doing a wonderful job of providing the engineering services we require and Herb Huber will be the contractor of record. Ron Brown just accepted the role of Deck Project Manger for the club. He will be providing project updates to the membership and be the one rallying members for volunteer work on the deck.

A special thanks to Sheila Jones for getting the Membership Directory for out so soon this year! If you don't have yours yet, be sure to drop by the club to pick one up.

I'm looking forward to seeing all of you on Super Bowl Sunday at the club for a fun afternoon. And, don't forget the Sweetheart's Ball on the 13th. It should be a wonderful party.

Until then, some wise words to consider:

***"The pessimist complains about the wind;
the optimist expects it to change;
the realist adjusts the sails."***

-William A. Ward

Vice Commodore's Report

Joseph Curtis

We had an incredible New Year's Eve Party at the club. Gregg's Full House Band had everyone out on the dance floor, and a good time was had by all. I need to thank several folks for their help in making the party possible: to the set-up team of Byron & Jeanne Jacobs and Vince Francis, to the Sequoia Commodores for providing all of the delicious food, and to the clean-up team who toiled late after the party: Oya Curtis, Kate & Dan Humphreys, Vince Francis, Mark Millet, and Anne Cohen. And a special thanks to Kris Butler, our Social Chair, for all of her hard work in planning, setting up, and cleaning up for this event. Everyone should put our 2010 New Year's Eve Party on their calendars now so no one misses out on all the fun! It will be on the same date as last year's party (December 31st).

There is a small change in how we are stocking soft drinks at the bar. Our Bar Manager, Terry Burley, and I are working hard to manage and control bar inventory costs in order to maximize the club's cash flow. One of the ways that we can control the inventory cost is to stop keeping double sources of soft drinks. As you may know, there are soft drink dispensing "guns" behind the bar. In the past, we have stocked both soft drinks delivered by the "gun" and in cans located in the bar refrigerator. Going forward, we will not stock cans of soft drinks when that particular drink is available via the "gun", eliminating double stocking. All soft drinks not available via the "gun" will still be stocked in the bar refrigerator.

Just a couple of notes about February social events: The **Super Bowl Party** will be **February 7th**, and don't forget to sign-up for the **Sweetheart's Ball** on **February 13th**.

Rear Commodore's Report

Kate Humphreys

Happy February! We are off to a good start for the year. Thank you to those who have expressed interest in participating in South Bay Opening Day. We had good attendance at our January meeting hosted by Peninsula Yacht Club. If you or someone you know would like participate (we are looking for artists or others who would like to set up a booth or give a talk) or become a sponsor of the event, please contact me and I would be happy to let you know how you can join in the fun.

A big thank you goes out to Daryl Santuray and West Marine who will be a Platinum sponsor this year. West Marine is stepping up and taking over the former Kelmoore Trophy and is looking to participate by hosting a booth and providing prizes and giveaways to our parade participants. Our next SBOD meeting will be on February 10th at 19:00 hosted by Coyote Point Yacht Club. Please come and join us and help make **"Ride the Tide to the South Bay"** a memorable event for all.

Tim Petersen and Mike Garl are reporting fine turn outs for the Winter Series and Redwood Cup. Please see Tim's column for more racing news. John Graves has our cruise outs well in hand. Please see John's column and join us for an upcoming adventure. Steve Holmstrom warmed us up for the Beer Can series with a meeting regarding the upcoming schedule and racing instructions on January 20th. Here is to a wonderful February at the club and on the water!

Junior Sailing Update

Dan Humphreys

We are gearing up for another Spring Session of Junior Sailing. Classes will begin on Saturday, February 20th. If you or someone you know has a youth ages 8-16 who would like to try their hand at sailing an El Toro or Laser, please let me know. We still have a few openings for the upcoming session. Sessions are comprised of 10 lessons taking place on Saturdays through May. I am really looking forward to seeing my returning skippers and meeting new sailing enthusiasts. For more on the program and registration forms please click on the Jr. Sailing tab at www.sequoiayc.org (top of page) or contact me at dkchumphreys@comcast.net.

Our high school program is in full swing. Congratulations to Gunn High School who has moved up to Gold Fleet with a second place finish at the Anteater Regatta hosted in December in Newport Beach by UC, Irvine. We have teams sailing from Gunn, Sacred Heart, Palo Alto, Carlmont, Woodside Priory, Burlingame, Summit and Menlo Atherton high schools. Student's need not be from one of these schools to participate. All are welcome. For more information on practice and schedules contact Eric Anderson at PYSF Hiker4u@aol.com or see the PYSF web site at www.pysf.us.

Our Opti fleet is also sailing right along. Brian Malouf is now helping Nicco out with Opti coaching duties and we are seeing results! Kyle Larson took home first place, Markus Suorsa second and Kiernan Sweetman third at the Richmond Mid-Winters #3. We have five of our skippers who have qualified for the Opti National Team Trials! Kyle also won the 2009 San Francisco Bay Opti Championship and Bay Area Youth Sailing (BAYS) Opti Series #2. Go Sequoia/PYSF! For more information on our Opti Fleet and how to participate please see the PYSF website at <http://www.pysfopti.org/index.html>

Falling is a major theme this month. I only wish that it were "falling in love." Continuing the healing process are Charlotte Eustace from a fall in her home, and Rick Gilmore's father, also from a fall. And don't forget Larry Mayne who is now ambling about after some weeks of recovery from hip surgery. The club sends their best wishes for quick recoveries for everyone.

Adrift members, Jon and Tweety Holbrook have left the San Juan Islands in the northwest for the Marshall Islands in the Pacific. They have a 2 year contract at the army base in Kwajalein, (here is a picture of the atoll from an airplane) with Tweety managing the small boat marina and Jon managing maintenance of the ships and ferries at the base.

Dan Doud was spotted in *Latitude 38* in an article about his son Darren winning the BAMA championship on his multihull "Roshambo". But, the big news was found at the end of the article, when it was learned that the Douds will be welcoming a new granddaughter soon.

Ryan Harrison and Kristina Zekos-Ortiz will be leaving soon to start cruising in Mexico and beyond.

Membership

Jerry Jones

Please welcome our new Junior Members: Rachel Day, Sarah Berry, Sam Heller, Connor Rosen, Joe Farned, Kendra Wiley, Avery Plough, Daven C Subbiah, Jagam Subbiah, Michael Hooton, Eric Hooton, Carson E Katz, Will Fuller, Chris Humphreys and Vivien Jones.

**Dan Begonia &
Daryll Ann Santuray**

A First Reading was held at the General Meeting for Dan Begonia and Daryll Santuray. They have a Hunter 37 "MALAYA" berthed in West Point Marina and are nominated by Ron Brown and Rick Gilmore. Their application is posted in the galley hallway for your review.

The new 2010 Membership Directory is available at the club for you to pickup at your convenience.

Recreational Boaters of California (RBOC)

The RBOC is the non-profit governmental advocacy organization that works to protect and enhance our boating interests with state and local branches of government.

There are several proposals under consideration by the state legislature that could be of interest to Sequoia members:

- Elimination of tax advantages for out-of-state boat purchases by corporations
- New requirements for marina and club permits
- New punishable boat safety violations
- Potential limitations on boater access to the Sacramento Delta
- New rules for abandoned boats
- Provisions to protect against invasive species
- Alternative anti-fouling paints

Visit www.rbo.org for the most up-to-date information on these and many other issues of importance to California boaters.

Racing Fleet

Tim Petersen

As we move into the latter part of both the Winter Series and the Redwood Cup Series races, SYC continues to demonstrate its commitment to winter racing. We are averaging around 15 boats per race and attracting racers from the Coyote Point Yacht Club.

Winter #3 was held on Sat., Jan. 9. There were 10 boats in the spinnaker division and 3 in the non-spinnaker division. The 13:00 start time came and went with nothing but calm winds at the starting area. Two postponements took place until the wind finally started to fill in at about 13:20. The first horn sounded at 13:25 and the race finally started at 13:30. The course was 3/4 - Ss - Ys - 3s/4 for a total of 3.77 miles. Although the winds were light all afternoon, the SYC racers were able to finish before the winds died once again in the late afternoon.

Congratulations to *Head Rush* (Charlie Watt) for taking first place, and to *Pizote* (John Ryan) and *Smokin J* (Stan Phillips) for taking second and third place respectively in the spinnaker division. In the non-spinnaker division *Iowa* (Rick Dalton) took first place, and *Linda Carol* (Ray Collier) and *Sweet Pea* (Tim Petersen) took second and third place respectively.

Redwood Cup #3 was held on Jan. 24, although the results were not available at the time of this writing. Check the SYC web site for details. Both series have two races to go, so now is the time to get out your calendars and mark the dates for the next races: Winter #4 on Feb. 6 and Redwood Cup #4 on Feb. 28. The Single-handed Series also starts on Sat. Feb. 20, so there are opportunities for everyone to get involved.

January also found the mysterious transformation of racing mark S from a yellow barrel to a red ball. The ball appears to be anchored using line instead of chain, so there is a bit of concern about its long-term survival. If anyone knows the story behind this change, please contact me. This may turn out to be a busy year for mark maintenance.

Looking forward to watching you cross the start line at the next race.

“How the Tides Work for You”

Those early starts for a day's sail can seem like a tremendous inconvenience on a Saturday morning. But sometimes it's the only way to go. It all depends on the tides. PICYA provided us with details of an upcoming lecture that is too good to miss.

Wednesday, February 10, 19:00 at the Bay Model Visitor Center, 2100 Bridgeway, Sausalito, CA 94967. Slide show with high altitude photos of SF Bay and a talk by Kame Richards in the auditorium, followed by demo on the Bay Model in action. Cruisers, racers, and recreational boaters will see and learn how the waters move on San Francisco Bay.

Reservation email jimtantillo@comcast.net or phone (408)263-7877. Repeats on Thursday, February 25 at 19:00. \$15 cash only at the door.

SEQUOIA READS: *The Sea of Cortez* by John Steinbeck and Edward F. Ricketts

ISBN 978-0-14-118607-8, Viking Press, 1941.

Early in 1940, Steinbeck and marine biologist, Ed Ricketts, hired a Monterey Bay sardine fishing boat, the *Western Flyer*, with a four-man crew, and spent six weeks travelling the coast the Gulf of California collecting biological specimens. The year after their return, Steinbeck and Ricketts published *Sea of Cortez: A Leisurely Journal of Travel and Research*, in which Steinbeck edited the daily journals of the trip with Ricketts' annotated specimen list.

The book is a travelogue and biological record, but also reveals the two men's philosophies: it dwells on the place of humans in the environment, the interconnection between single organisms and the larger ecosystem, and the themes of leaving and returning home. They also raised a number of ecological concerns, rare in 1940, that were way ahead of their times.

Look for a date for our discussion sometime in March, when **Steve and Laurie Holmstrom**, fresh from their own trip, will share their fantastic images of the Sea of Cortez.
